

MULTI-MEDIA & SECURE STORAGE SYSTEMS

INTRO

Since 1963, Dasco Data Products has been designing, engineering and producing the highest quality products that are available in the Media & Systems storage market. Our product line has exceeded the expectations of our clients time and time again. Dasco is well known in the international market as a “solutions provider” committed to providing innovation, quality and superior customer service to every client, every day.

This newest Multi-Media & Secure Storage Systems catalogue will showcase our latest standard product line. DDP storage systems are designed and engineered to adapt, not to replace. Thus, allowing new storage options to be added to older DDP storage systems easily.

*If our standard product showcase does not meet your requirements, our in house design team would be happy to develop a solution for you. DDP is committed to provide you exactly what you want with the quality you expect. The majority of our product line is backed by a 15 year warranty see **www.dascodata.com**, for more details.*

MEDIA STORAGE CABINETS

Our Multi-Media Cabinets have been the quality and durability standard in the industry for more than 40 years. The unique ALL-STEEL bi-parting tambour doors glide with ease on our special "aircraft cable track system". All cabinets come complete with lock & keys, 1/2" increment adjustment, heavy gauge steel construction and a durable powder coat finish. Cabinets are pre-assembled with any components you choose and ready to use upon arrival - No Assembly required. See page 8 & 9 for components.

Media Storage Cabinets are 36" wide x 22" deep and come in 6 standard heights (36", 51", 60", 66", 72", 83"). Available in 3 standard SANTEX finishes Beige, Grey or Black

MEDIA STORAGE CABINETS

Our cabinets and components are durable, flexible and made with the highest quality materials available. Each & every Multi-Media Cabinet and component must pass numerous quality checks at different stages of manufacture, assembly & packaging. Your choices of internal components are installed prior to shipping so you simply remove the packaging and start to use your new cabinet.

83"

MEDIA STORAGE COMPONENTS

Multi-Media Roll-out Shelf

#050-00706

Each shelf comes complete with (8) front to back dividers and (9) compressor/flip dividers. Using the "star slot" system, you can easily customize the shelf to your application. Divide your shelf to store one or several media types by simply adjusting the dividers. Drawers are complete with heavy duty easy glide suspension arms for many years of service.

Capacity per drawer using one type of media:

Media	Capacity	Space Required per drawer
DLT/SDLT	78	5"
LTO	93	5"
4MM/DDS	225	3"
8MM	126	3.5"
3480/3490/3590	99	5.5"
CD/DVD (slim case)	390	6"
CD/DVD (jewel case)	195	6"
DV,cam-Small	132	4.5"
Mini-DV	263	3"
Audio Cassette	150	4.5"

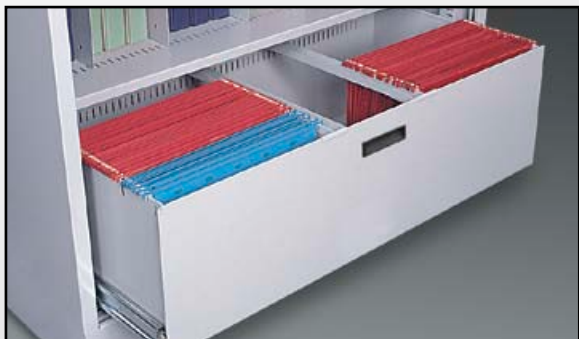

CD/DVD Roll-out Shelf

#050-00725 Space requirement: 6.0"

Up to 276 CD's or DVD's sit in their own slots on a slight angle to allow for finger flip filing. Each shelf comes complete with a CD/DVD insert that is removable and heavy duty easy glide suspension arms.

Note: 276 in Slim Line Case, 2 per slot. 138 in Jewel Case, 1 per slot.

Filing Bin Drawer

#050-00704 Space requirement: 11.0"

(32.5"W x 16.125"D x 9.5"H)

Our bin drawer allows filing of letter and legal hanging folders. With the use of floating file bars, you can divide the drawer to hold letter and legal together or 2 rows of letter. File bars included.

Locking Lid for Bin Drawer

#050-00720 Space requirement: 12" (when used on a Bin Drawer)

Add a locking lid to a Bin Drawer and use the drawer for confidential files, personal items or costly supplies. Complete with an Abloy lock & keys.

Plain Shelf

#050-00701

The plain shelf allows you to store ring binders, end tab file folders or anything else that requires a shelf. The optional back plate & 5 divider set #050-00713 to go with the plain shelf gives you the perfect file shelf. Dividers are adjustable in 1/2" increments.

Note: Heavy Duty Shelf also available # 050-00707.

Back Plate & (5) Divider set

#050-00713

Space requirement:

3-Ring Binders - 13.5" ■ End Tab Ltr/Lgl - 11.0"

MEDIA STORAGE COMPONENTS

Roll-out Reference Shelf

#050-00726 Space requirement: 2.5"

A reference shelf is the perfect option when access to your cabinet is frequent. Whether you are retrieving files or cartridges, a reference shelf is convenient to open and use as a work surface to hold files or to write on.

Mail Sorter Insert

#050-09065 Space requirement: 13.5"

This sorter option allows you to sort and divide mail, documents and other stationery into as many as NINE legal depth slots. Each sorter comes complete with SIX adjustable shelves that can be positioned in 1/2" increments. Each of the three compartments are 10.33" W x 11.31" H x 15.87" D. Also complete with label holders and required hardware.

Media Bars

#050-03480 Space requirement: 14" first row, 13" additional rows

Media Bars support specially designed removable pacs (see below) for 3480/3490, DLT and LTO. Fast and easy retrieval allows an operator to simply open the cabinet and remove a single cartridge or pac of cartridges. Maximum capacity per level is 5 pacs (3 rear/2 front). Front pacs slide to either side for access to rear pacs. Media bars and Pacs are sold individually.

Media Pacs

DLT / LTO Media Pacs (16 Capacity) #138-35225

3480/3490 Media (20 Capacity) #138-35230

Laptop/Notebook Secure 3-Compartment

#050-00740 Space requirement: 5.0"

Laptop compartment securely stores (3) laptops/notebooks. Shown here are four 3-compartment units stacked together for a total of (12) individual compartments. Each individual compartment comes complete with its own private lock and keys and a label holder built in.

Each individual compartment measures: 10.25"W x 14.5"D x 4.5"H.

Laptop/Notebook Secure 2-Compartment

#050-00742 Space requirement: 5.0"

For larger laptops and notebooks we designed a 2-Compartment insert. Both compartments are secured with their own lock and 2 keys.

Each Compartment: 16.0"W x 14.5"D x 4.5"H

MEDIA STORAGE RACKS

Multi-Media Wall Rack

#048-00180 (34" H x 33.75" W x 9.75" D)

The Wall Mount Rack gives you the ability to store different media without taking up valuable floor space. Each unit comes complete with (5) shelves and wall mount frame. Shelves adjustable in 1" increments. The frame is pre-set to allow for 12", 16" or 24" stud centres. Wall mounting hardware **NOT** included.

Standard Finish: Black Santex

Maximum Capacity per Wall Rack

DLT (All Types)	125

35MM FILM	100

Note: Other media capacities available.

MEDIA CART & CASES

Multi-Media Mobile Cart

DDP #050-48000 45"H x 41"W (including handles) x 29.5"D

Our Mobile Cart comes complete with a total of (8) Media shelves and (16) Dividers. Manufactured with quality and durability in mind the Media Cart comes complete with heavy duty casters and corner bumpers. The Multi-Media shelves are adjustable in 1" increments. The capacities per shelf are the same as Multi-Media shelves #**048-00115** on previous page.

Note: Inside useable space is 38.5".

Standard Finish:

Black Santex

Transport Cases (Heavy Duty, Pad Lockable)

Both transport cases are designed to safely and easily transport computer media. Both cases are complete with a retractable handle, two pad-lockable hasps, heavy duty wheels, rubber bumpers, Courier waybill/label holder and high density foam lining. Cases are made with steel hinges, hasps and a padded carry handle.

Cases are designed to hold 1 or 2 media pacs (sold separately) for LTO, DLT or 3480/3490.

#002-92020 21"W x 14"D x 9.5"H
Capacity **ONE** media pac

#002-92040 27.5"W x 14"D x 9.5"H
Capacity **TWO** media pac's

Media Pacs (sold separately)

DLT/LTO Pac 16 Capacity #**138-35225**
3480/3490 Pac 20 Capacity #**138-35230**

Note: You may also combine one of each pac in the TWO capacity case.

SINGLE-WIDE POWERED LAPTOP CABINETS

Upon request we have engineered a "Single Wide" version Laptop Cabinet. Side Panels have louvered vents and the top panel is perforated for warm air escape. Convenient cable management holes are located in both side panels for network hook-up of laptops and switches. Cabinets come complete with our unique ALL STEEL bi-parting Tambour Door and keylock. Available in BLACK Santex Only.

New!

Powered Laptop Drawer (No Lids)
#050-00744

Powered Laptop Drawers come complete with a single outlet power bar.
Space required: 3.5" as standard

SINGLE Wide Laptop Cabinet
#050-00761 (Powered)

shown with (13) #050-00744 drawers
64.5"H x 25"W x 24"D
(I.D. Useable Height: 55.5")

SINGLE Wide Bin Storage Drawer
#050-00705 (Allow 10.5" Spacing)

The heavy-duty Bin Drawer gives you that extra storage space that sometimes is required for additional power packs, cables, laptop bags, switches etc..

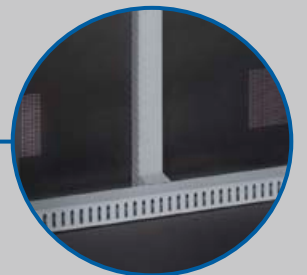

SINGLE Wide Secure Laptop Drawer

Powered (Allow 6" Spacing for airflow)
#050-00745

Each Secure drawer comes with a heavy-duty lockable lid, single outlet power bar with surge protection and re-set and two "stay open" support arms. Lockable lids are vented in the top to allow for warm air escape. Internal useable space: 20.5" W x 14.25" D x 4.5" H (rear) to 3"(front).

Cable Management Raceway Option
#050-00768

If your cabinet is being networked with RJ45, CAT5 or CAT6 cables then we have designed a cable management raceway that will allow for the neat control of your cables. Cable troughs have removable covers and flexible fingers to allow cables an exit or entrance at any point through the raceway.

DOUBLE-WIDE POWERED LAPTOP CABINETS

Built-In Fan

If laptops are being powered and networked 24/7, it is recommended that our Laptop Cabinet with FAN (#050-00763) is used. The fan has an automatic ON/OFF switch that engages on tambour door closure and disengages on tambour door opening.

Cabinet Dimensions:

#050-00765 (No Fan)
64.5"H x 36"W x 24"D

#050-00763 (With Fan)
69.5"H x 36"W x 24"D

Internal Useable Height: 55.5"

Above cabinet shown:
#050-00765 Powered Laptop Cabinet
64.5"H x 36"W x 24"D

Above Cabinet is #050-00763 (Powered with Fan).
Shown with (9) #050-00747 Powered Laptop Drawer
with lockable lid

DRAWER OPTIONS

#050-00746
Powered Laptop Drawer (No Lids)
Powered Laptop Drawers come complete with a 2-outlet power bar. **Space required:** 3.5" as standard

#050-00747
Secure Laptop Drawer (can accept laptops up to 14.75" x 12" x 3" high). Secure Laptop Drawers come complete with a 2-outlet power bar and has (2) private chambers with lockable lids. **Note:** Each lid is keyed differently to all other lids in the cabinet or cabinets unless specified. Master Keys available. **Space required:** 6"

#050-00704
Bin Storage Drawer
For storage of additional accessories, bags or parts. **Space required:** 11"

#050-00768 Cable Management Raceway Option

If your cabinet is being networked with RJ45, CAT5 or CAT6 cables then we have designed a cable management raceway that will allow for the NEAT CONTROL of your cables. Cable troughs have removable covers and flexible fingers to allow cables an exit or entrance at any point through the raceway.

COMPUTER STORAGE/SECURITY

The **ULTIMATE PC Cabinet** comes complete with (2) Monitor/Server Shelves, (1) Roll-out Printer/Server shelf, (1) Roll-out Keyboard shelf with retractable mouse wings. Other standard features are a 550 CFM exhaust fan that is controlled by a built in thermostat, rear cable entry flap, 6 outlet power strip, vented shelves and a all steel bi-parting tambour door with key lock. Optional padlock bar set can be added (#050-00729). All internal components are shipped pre-installed and can be adjusted at any time.

Available in 3 standard SANTEX finishes
Beige, Grey or Black

Ultimate PC Cabinet #050-00778

72"H x 36"W x 28"D
(77" to top of fan housing)
Internal useable height: 62.5"

Security Locking Bars #050-00729

The security locking bars allow you the option of adding a padlock to your Multi-Media Cabinets. When you add security locking bars you make the cabinet **dual access** as well. When the key lock (standard on all cabinets) and pad lock are engaged it requires TWO separate keys to open your cabinet. Finish matched to the cabinet. (Padlock not included). **Note:** Locking Bars reduce useable cabinet space by 1.0".

Floor Anchors #050-97300

If required, the PC Cabinet can be anchored to the floor.

COMPUTER STORAGE/SECURITY

The **PC-Stor** was designed for SECURITY, MOBILITY and FUNCTIONALITY. This all-steel cabinet comes complete with ONE perforated fixed shelf, ONE perforated roll-out shelf and ONE perforated keyboard shelf with left & right slide out mouse wings. Optional HEAVY DUTY casters make the complete package.

#050-00775
60"H x 25"D x 30"W
shown with Caster Set #050-00777
(Height with Casters 64.5")

30"W PC-Stor Computer Cabinet

Includes:

- 6 Outlet power bar
- Secure cable entry in rear of cabinet
- Secure power supply cord
- All Steel Bi-Parting tambour door w/key lock
- Vented side panels

Shipped fully assembled (All welded construction). Internal components are shipped pre-installed and ready for use.

Standard Finish: Grey Santex

Options:

- Heavy Duty Caster set **#050-00777**
Pad-Lock Bar Set **#050-00739**

Laptop Locker (Desk Mount)

The LAPTOP LOCKER is designed to be mounted horizontally or vertically to the top or underside of virtually any workstation. Units come complete with a 3-POINT lock mechanism and ABLOY secure lock. Cable access and ventilation is in the rear of each unit. An internal removable shelf is standard with all lockers. Available in BLACK SANTEX only.

#050-00170
O.D. 16.5"W x 15"D x 5.6"H
I.D. 15.4"W x 14"D x 4.5"H

CPU Locker

The new CPU locker was engineered to offer security and operational safety for your computer. Standard with secure ABLOY key lock, 3-point lock mechanism, cable access grommet, vented sides, power bar and exhaust fan. Locker is floor or desk mountable. Available in BLACK SANTEX only.

#050-00185
